Declaring a History Major

1) **Find a Faculty Adviser.** The best way to find an adviser is simply to take a variety of History courses, drop in during faculty office hours (posted in the History Department main office), and introduce yourself as a prospective History major. Faculty are happy to suggest coursework and to offer counsel.

2) **Complete the Declaration Form and have your adviser sign it.**

3) **Submit your Declaration Form to Priscilla Tojino in the History Office (200-113).**

4) **Declare the History major on AXESS.** Only students who have submitted a signed History Major Declaration Form will be accepted by AXESS as History majors. This restriction ensures that all History majors have advisers.

**A note on timing:** Students usually declare in the freshman, sophomore, or early junior year. History majors are required to be declared six quarters prior to graduation; students declaring later than the Fall quarter of their junior year need to submit a special petition (available in the History Office), accompanied by a plan for completing the major.
